

Maxwell Hall Big Band

Stage Requirement-Non-profit performance only

- Overall stage dimension of 30' x 20' will be comfortable. Somewhat smaller dimensions can be accommodated.
- Risers preferred; can be waived in advance.
- Require a minimum of six 110 VAC outlets for stage reading lamps at 20 positions.
- Require at least four 20-amp outlets for electronics and amplification (optional).
- Require 18 armless chairs (for all except piano & drums — plan for five trumpets, five trombones, and Latin Percussion).
- Prefer customer-provided concert grand piano; alternatives can be arranged on an exception basis.

*sometimes use 5th trumpet, and/or 5th trombone, and/or latin percussion positions.
